

## **PT-3600 Electronic Labeller**

The P-touch PT-3600 from Brother is an excellent stand alone or PC and Mac OS® systems compatible Electronic labeller.

- Easy to use
- Multi-function cutter
- Prints 6,9,12,18,24,36mm TZ/ TZe laminated labels
- Fast print speed of 20mm per sec
- Rotate & print function
- Large semi-graphical LCD display
- USB connection (V1.1)

## Professional labelling made easy

With all the best P-touch printing functions, it's the ideal labeller to meet your labelling requirements. Special features include the new multi-function cutter which is capable of printing labels consecutively - giving a string of labels that are half-cut and ready to peel easily.

With a fast print speed of 20mm per second and a print resolution of 360dpi, P-touch PT-3600 produces excellent quality professional labels helping you to achieve a better organised working environment.
